DEHESA DEL CARRIZAL

Dehesa del Carrizal is a Vino de Pago, the highest category according to Spanish wine law. It is a DOP (Denominación de Origen Protegida - Protected Designation of Origin) reserved for those few wineries and vineyards which carry out the whole process -from the grape to the bottle- within the limits of the Pago or estate.

The unique location, soil and climate are the key to obtaining exceptional wines.

The oldest grapevines of Cabernet Sauvignon have grown at Dehesa del Carrizal since 1987. They were later joined by Syrah, Merlot. The acid soils of the siliceous Mediterranean mountains, a humid climate and 800 metres of altitude create the perfect particular microclimate where Dehesa del Carrizal stands.

CHARDONNAY - 2018

Vintage 2018
 Alcohol 13,5%
 Variety Chardonnay
 Apellation Pago Dehesa del Carrizal
 Barrel 4 to 6 months
 Type White
 Content 0,75 l

Tasting notes

Its bright and intense greenish yellow does catch the eye. Clean and shining, with white fruit aroma presence together with some honey and pastry notes.

Unctuous and luscious in the mouth, but always fresh, light, pleasant and with a long nish.

It is the result of a careful production process: harvest in September after full ripening, fermentation in new French oak barrels at controlled temperature and 4 to 6 -month aging with battonage on lees in similar barreis.

MV - 2016

Vintage 2016
 Alcohol 14 %
 Variety 6% Cab. Sauvignon, 34% Syrah,
 35% Merlot y 25% Tempranillo.
 Apellation Pago Dehesa del Carrizal
 Barrel 10 months
 Type Red
 Content 0,75 l

Tasting notes

A versatile wine for almost every palate and pairing with almost every food. An elegant and very balanced blended wine, it boasts the best from each of our grape varieties.

The blended varieties change every year in search of the best grapes of our vineyard: the freshy Syrah, the fruity and floral Merlot and Tempranillo, the long-lasting Cabernet Sauvignon.

After one year in barrel, it gathers a complex but well assembled nose. It offers ripe berries - blackberries and blueberries- together with notes of wood, toast, spice and, in the back ground, an earthy aroma.

It is so on the palate, pleasant and very balanced, with an intense cherry red colour and eye catching dark crimson nuances.

CABERNET SAUVIGNON - 2016

Vintage 2016
Alcohol 14,5 %
Variety Cabernet Sauvignon
Apellation Pago Dehesa del Carrizal
Barrel 12 to 14 months
Type Red
Content 0,75 l

Tasting notes

To many it is the best Cabernet in Spain. Our veteran is a wine as elegant as it is complex. Its more than 25-year- experienced vines together with a late harvest after a perfect ripening give shape to a wine rich in balsamic notes, spices and minerals.

Its singular spirit originales in a slow and meticulous production process: long macerations, 12to 14-month aging in French oak barrels and fermentation in wooden vats.

Also, it rests in the bottle, aging for a long time before going on the market.

SYRAH - 2015

Vintage 2015
Alcohol 15 %
Variety Syrah
Apellation Pago Dehesa del Carrizal
Barrel 12 months
Type Red
Content 0,75 l

Tasting notes

A special variety that we take care of with a special production process. Fermentation occurs in tanks and then further malolactic fermentation takes place in French oak tanks.

One year in the rows of French oak barrels and 18 months in the bottle before being released in the world. The result is an amazing cherry red coloured wine with purplish rims.

On the nose it is very intense and presents a mix of ripe fruit, jaro, black olive and toasted notes.

Mouth-filling, big and robust. Despite its intensity it has a perfectly exquisite finish.

PETIT VERDOT - 2015

Vintage 2015
 Alcohol 14,5%
 Variety Petit Verdot
 Apellation IGP Vino Tierra de Castilla
 Barrel 12 to 15 months
 Type Red
 Content 0,75 l

Tasting notes

It derives from a grape deep-rooted in Bordeaux which, due to its long ripening, fits perfectly in our particular climate. Our youngest vineyard has a long and excellent future ahead.

This wine presents an intense cherry red colour with hints of blue. On the nose it reveals notes of berry, liquorice and also balsamic notes. On the palate mouth the attack is fresh and smooth, later appearing the concentration of ripe tannins which derives in a long and full finish.

Graphite, the main mineral characteristic in Petit Verdot, is present all the way through.

COLECCIÓN PRIVADA - 2016

Vintage 2016
 Alcohol 14,5 %
 Variety Syrah, Merlot, Cabernet Sauvignon,
 Petit Verdot y Tempranillo
 Apellation Pago Dehesa del Carrizal
 Barrel 14 months
 Type Red
 Content 0,75 l

Tasting notes

A cherry red coloured wine with youthful tones. Complex nose with floral notes, mineral spice, balsamic hints and berries.

On the palate it proves powerful, full bodied, very tasty and well balanced with a great personality. It offers a long and complex finish: the aftertaste brings back the fruit and minerals, joined by black chocolate, toffee and toasted nuances.

The different varieties are vinified separately, then aged in selected new French oak barrels.

This pursuit lasts for 12-15 months and only the best vintages are released. Only the bottles from the selected barrels will make their way to the wine rack and then to the market. Colección Privada aims at the highest in the wine world.
